

# Exela Technologies Named in Forrester's 'The Accounts Payable Invoice Automation Landscape, Q4 2023 Report'

Dec 11, 2023

IRVING, Texas, Dec. 11, 2023 (GLOBE NEWSWIRE) -- Exela Technologies, Inc. ("Exela" or the "Company") (NASDAQ: XELA, XELAP), a global business process automation ("BPA") leader, announced today that the Company has been included in the Forrester's 'Accounts Payable Invoice Automation Landscape, Q4 2023 report'.

In an overview of 33 notable vendors, this comprehensive report focuses on how accounts payable invoice automation (APIA) can streamline the capture of invoice data, automate key steps in the invoice validation process, and provide reporting and analysis of the financial implications of processed invoices.

Forrester identifies Advanced AI as the new differentiator. Advanced AI technology shows great potential in AP processes, making them more intelligent, secure, and efficient.

Along with all core use cases, Exela additionally selected E-invoicing and tax compliance, Invoice matching against non-POs, and Reporting and Dashboarding as its top three extended use cases.

"We are pleased with the recognition from Forrester in the APIA technology vendor Landscape. This reflects our dedication towards developing technology that helps customers lower costs and improve their supplier relationships with enhanced compliance," said Suresh Yannamani, CEO Exela Technologies BPA.
