

Exela Technologies Announces \$35 Million Breach Remediation Notification Contract Win

6/24, 2024

IRVING, Texas, June 24, 2024 (GLOBE NEWSWIRE) -- Exela Technologies, Inc. ("Exela" or "the Company") (NASDAQ: XELA, XELAP), a global business process automation ("BPA") leader, today announced a contract win valued at over \$35 million. The short-term strategic contract in security breach remediation began in June and is expected to conclude next month. The project will be accretive to the Company's ITPS segment which had revenue of \$732 million in 2023. This is an example of the Exela's ability to quickly scale capacity and deliver customer remediation solutions.

Exela offers customers cybersecurity under the brand [Reaktr.ai](#), breach remediation services under the brand [Rust Consulting](#) coupled with notification services by Exela Technologies BPA LLC. With a presence in 20 countries including [XBP Europe Holdings](#), Exela is one of the few companies to provide these services at scale.

"This is a prime example of how Exela's full service cybersecurity compliance, remediation and incident response solutions are resonating in the industry. Exela worked diligently and expeditiously with our client on a legally sensitive situation. At Exela, we are well positioned to help our current and potential customers in their time of need as cybersecurity becomes increasingly critical as each day passes," noted Suresh Yannamani CEO, Exela Technologies BPA.
