

Exela Technologies Selected as a Potential Supplier for the UK's National Health Service London Procurement Partnership

Nov. 23, 2021

IRVING, Texas, Nov. 23, 2021 (GLOBE NEWSWIRE) -- Exela Technologies, Inc. ("Exela") (NASDAQ: XELA), a global business process automation leader, has been selected by the UK's National Health Service London Procurement Partnership as a potential supplier. 46 companies were chosen across a spectrum of services, while Exela was chosen for bulk scanning, contact center/help desk and digital mailroom. The Digital Document Solutions Framework is a four-year contract and has a potential total value of £5bn or ~\$7bn across all suppliers.

"Every UK citizen can benefit from an improved healthcare system and we are excited to be part of this progress. We are proud to be chosen by the Procurement Partnership to provide our solutions. We look forward to the opportunity to work with an organization with a focus on improving speed and access to data in a secure manner," noted President of Exela, Vitale Robu.
