

Exela Technologies Announces Webinar Hosted by Cantor Fitzgerald

Dez. 02, 2021

IRVING, Texas, Dec. 02, 2021 (GLOBE NEWSWIRE) -- Exela Technologies, Inc. ("Exela") (NASDAQ: XELA), a business process automation leader, announced today that Cantor Fitzgerald's Head of Financial Technology Research, Josh Siegler, will host a webinar with Exela's Global Head of Strategy, Matt Brown on December 8th, 2021 at 1PM ET.

The title of the event is: "Behind the Curtain: Deep Dive into Exela's Business"

In this webinar Josh will:

- Pull back the curtain and analyze Exela's core business
- Understand how Exela earns \$1B+ in annual revenue
- Deep dive into the fundamentals of the company
- Overview Business Process Automation
- Analyze Exela's ability to win new business
- Understand the growth outlook and macro environment

For those interested in registering for the event, please contact your Cantor Fitzgerald representative.

Exela will post a replay link shortly after the event on its investor relations website the day of the event.

About Exela Technologies

Exela Technologies is a business process automation (BPA) leader, leveraging a global footprint and proprietary technology to provide digital transformation solutions enhancing quality, productivity, and end-user experience. With decades of experience operating mission-critical processes, Exela serves a growing roster of more than 4,000 customers throughout 50 countries, including over 60% of the Fortune® 100. Utilizing foundational technologies spanning information management, workflow automation, and integrated communications, Exela's software and services include multi-industry, departmental solution suites addressing finance and accounting, human capital management, and legal management, as well as industry-specific solutions for banking, healthcare, insurance, and the public sector. Through cloud-enabled platforms, built on a configurable stack of automation modules, with over 17,500 employees operating in 23 countries, Exela rapidly deploys integrated technology and operations as an end-to-end digital journey partner.

Forward-Looking Statements

Certain statements included in this press release are not historical facts but are forward-looking statements for purposes of the safe harbor provisions under The Private Securities Litigation Reform Act of 1995. Forward-looking statements generally are accompanied by words such as "may", "should", "would", "plan", "intend", "anticipate", "believe", "estimate", "predict", "potential", "seem", "seek", "continue", "future", "will", "expect", "outlook" or other similar words, phrases or expressions. These forward-looking statements include statements regarding our industry, future events, estimated or anticipated future results and benefits, future opportunities for Exela, and other statements that are not historical facts. These statements are based on the current expectations of Exela management and are not predictions of actual performance. These statements are subject to a number of risks and uncertainties, including without limitation those discussed under the heading "Risk Factors" in Exela's Annual Report and other securities filings. In addition, forward-looking statements provide Exela's expectations, plans or forecasts of future events and views as of the date of this communication. Exela anticipates that subsequent events and developments will cause Exela's assessments to change. These forward-looking statements should not be relied upon as representing Exela's assessments as of any date subsequent to the date of this press release.
