("Exela" or the "Company") (NASDAQ: XELA) today announced the expiration and final results with respect to the previously announced exchange offer (the "Exchange Offer") that certain of its subsidiaries (the "Issuers") launched on October 27, 2021, as amended on November 19, 2021 and November 26, 2021, to exchange up to \$225 million in cash and new 11.500% First-Priority Senior Secured Notes due 2026 (the "New Notes") for the Issuers' outstanding 10.000% First-Priority Senior Secured Notes due 2023 (the "Old Notes") and a solicitation of consents to proposed amendments with respect to the indenture governing the Old Notes (the "Consent Solicitation").

As of 5:00 p.m., New York City time, on December 3, 2021 (the "Expiration Time"), according to information provided by D.F. As previously announced, in connection with the Consent Solicitation, a supplemental indenture to the indenture governing the Old Notes was executed and delivered on December 1, 2021 to implement the amendments with respect to the indenture governing the Old Notes set forth in the Offering Memorandum (as defined below).
