

Exela Expands Mastercard Relationship in Europe

1□ 12, 2022

IRVING, Texas, Jan. 12, 2022 (GLOBE NEWSWIRE) -- Exela Technologies, Inc. ("Exela") (NASDAQ: XELA) today announced it has expanded an existing relationship with Mastercard in the EMEA region to support the automation of Giro payments and processing in Norway utilizing Exela's XBP platform.

Exela will develop and deploy a new, innovative solution using optical/intelligent character reading to automate the content extraction of payment documents in the Brevgiro service in Norway. As part of this solution Exela will also provide automated signature verification of payment transactions. This solution will be used to process over 11 million Giro payments in Norway.

"We are proud to continue developing our partnership with Mastercard and look forward to servicing the entire Norwegian Giro payments market," said Vitalie Robu, president of Exela EMEA, adding "this solution is part of our global XBP rollout."
