# Exela Wins PCH Global Rollout for a National Leader in Post-Acute Healthcare

Jan. 21, 2022

IRVING, Texas, Jan. 21, 2022 (GLOBE NEWSWIRE) -- Exela Technologies, Inc. ("Exela") (NASDAQ: XELA) today announced a new relationship with a national leader in post-acute healthcare focusing on home healthcare, hospice and personal care. The initial scope of the PCH Global rollout will deliver data aggregation and reporting to drive easier access to personalized high-quality care for patients and their families.

Exela continues to invest in expanding PCH Global's capabilities to provide a cloud hosted solution with one of the best edit resolutions for healthcare claims. This marks another milestone in the value proposition of the PCH Global platform to digitally connect members, providers and insurance companies to enable clean claims, payment transparency and digital appeals. PCH Global's cloud network offers increased scalability, the highest uptime and best business continuity protections. PCH Global has robust data analytics which are continually improving as Exela processes more and more data. Additionally, PCH Global's improved data analytics can be accessed via a self-service model.

"This new relationship highlights the breadth of expertise within our healthcare solutions that can cater to every facet of the complex global healthcare landscape," said Suresh Yannamani, President of Exela. Adding "we look forward to expanding our PCH Global services to drive high quality outcomes for all of our customers."
