

Exela Technologies Announces Contract Renewal with Law Firm

11 28, 2022

IRVING, Texas, November 28, 2022 -- Exela Technologies, Inc. ("Exela" or "the Company") (NASDAQ: XELA, XELAP), today announced that it has renewed its contract with one of the largest law firms in the United States. The Exela Intelligent Document Processing (IDP) solution optimizes the firm's document output and enables a flexible staffing model. Post-COVID, the client sought a flexible solution to better manage unpredictable requirements. Exela's IDP meets the hybrid work demands, combining automation technology with personnel expertise, while maintaining security, flexibility, and accessibility. In addition to the document services, Exela will provide trained staff to manage the firm's reception and concierge services. The client benefits from Exela's cost-efficient and flexible staffing model.

"Exela's solutions have helped organizations get started and successfully build print transformation strategies for hybrid work. In addition, our expertise in contract staffing and reducing high overhead costs enables our customers to get a competitive edge," said Tatiana Koleva, President, Exela Enterprise Services.
