

Exela Technologies Announces Fireside Chat for Investors

Apr. 12, 2023

Fireside chat stream will take place April 26, 2023 at 2:00 PM ET

IRVING, Texas, April 12, 2023 (GLOBE NEWSWIRE) -- Exela Technologies, Inc. ("Exela" or "the Company") (NASDAQ: XELA, XELAP), a leader in business processing automation today announced the second fireside chat for investors.

Executive Chairman, Par Chadha, will be answering questions asked in advance from investors about the Company's strategy, execution and future plans. Questions can be submitted by investors until April 21, 2023, starting now.

The Fireside Chat is our official forum that enables two-way communication with our investors. Exela continues to invest in technology and services across our global platform to better serve our customers. This positioning for growth may be of interest to our investors.

"We are enthusiastic to hear more about the topics on investors minds. We also look forward to sharing the progress we have made and discussing the hurdles we face," said Par Chadha

The fireside chat will take place on April 26 at 2:00 PM ET. The registration for the fireside chat platform is live and available at the URL: <https://fireside.exelatech.com/register>.

About Exela Technologies

Exela is a business process automation (BPA) leader, leveraging a global footprint and proprietary technology to provide digital transformation solutions that improve efficiency, quality, and productivity. With decades of experience operating mission-critical processes, Exela serves a growing roster of more than 4,000 customers throughout 50 countries, including over 60% of the Fortune[®] 100. With foundational technologies spanning information management, workflow automation, and integrated communications, Exela's software and services include multi-industry solution suites addressing finance & accounting, human capital management, facilities optimization, and legal management, as well as industry-specific solutions for banking, healthcare, insurance, and the public sector. Exela is a leader in workflow automation, attended and unattended cognitive automation, digital mailrooms, print communications, and payment processing, with deployments across the globe. Through cloud-enabled platforms, built on a configurable stack of automation modules, and approximately 16,000 employees operating in 21 countries, Exela rapidly deploys integrated technology and operations as an end-to-end digital journey partner.

Forward-Looking Statements

Certain statements included in this press release are not historical facts but are forward-looking statements for purposes of the safe harbor provisions under The Private Securities Litigation Reform Act of 1995. Forward-looking statements generally are accompanied by words such as "may", "should", "would", "plan", "intend", "anticipate", "believe", "estimate", "predict", "potential", "seem", "seek", "continue", "future", "will", "expect", "outlook" or other similar words, phrases or expressions. These forward-looking statements include statements regarding our industry, future events, estimated or anticipated future results and benefits, future opportunities for Exela, and other statements that are not historical facts. These statements are based on the current expectations of Exela management and are not predictions of actual performance. These statements are subject to a number of risks and uncertainties, including without limitation those discussed under the heading "Risk Factors" in Exela's Annual Report and other securities filings. In addition, forward-looking statements provide Exela's expectations, plans or forecasts of future events and views as of the date of this communication. Exela anticipates that subsequent events and developments will cause Exela's assessments to change. These forward-looking statements should not be relied upon as representing Exela's assessments as of any date subsequent to the date of this press release.
